5 oily fingers
100 crayons
8 slumber parties
55 baton twirls
15 games of hide-and-seek
4 chocolate chip cookies
11 tea parties
2 pet hamsters

When interior paint is made with Teflon® surface protector, even the most lived-in rooms don’t have to look that way. It gives paint greater durability, resists fingerprints and makes cleanup easier. So you’ll spend less time worrying about messes and more time enjoying what matters.
