

## FACT SHEET

# We're Chemours, a different kind of chemical company.

We are on a journey to create a colorful, capable, and cleaner world. We've completed our transformation and now we're earning our way to growth by advancing higher value chemistry.

Built upon a 200-year-old legacy and a world-class product portfolio, we bring everyday convenience to virtually everything people touch—in industries ranging from automotive, paints, and plastics to electronics, construction, energy, and telecommunications. We bring solutions that are better, safer, more reliable, and more sustainable, through the power of chemistry.

# OUR GROWTH STRATEGY

We've survived by transforming. Now we're earning our way to growth by advancing higher value chemistry.

After designing and successfully executing our five-point transformation plan, we're ready for growth so we can continue improving the lives of people everywhere.

## Our Business Strategies

### Fluoroproducts

- Aligning high-value fluoropolymer application development to provide customer solutions in fast-growing markets
- Growing Opteon™ low global warming potential refrigerants and optimizing other fluorochemical product offerings

### Chemical Solutions

- Meeting the growing demand for Mining Solutions
- Supporting key customers in Mexico with capacity expansion

### Titanium Technologies

- Enabling value stabilization of Ti-Pure™ titanium dioxide to align with long-term customer needs
- Increasing capacity incrementally to meet customer demand via our low-cost, flexible manufacturing capabilities

## Our Growth Pillars

### Portfolio

We remain committed to managing our businesses proactively and strategically by continuing to invest in our market-leading businesses, and by adding complementary acquisitions. Creating a highly investable business portfolio is our top priority.

### Partnerships

Through the power of collaboration, we can find new solutions to old problems, making the world better. We will continue to work hand in hand with our partners and customers to develop new opportunities.

### Performance

To put it simply, we strive to be top-tier. We will continue to set clear targets and goals for ourselves: Adjusted EPS growth, higher Adjusted EBITDA margins, and ROIC. We'll communicate and measure our progress against these ambitious benchmarks.

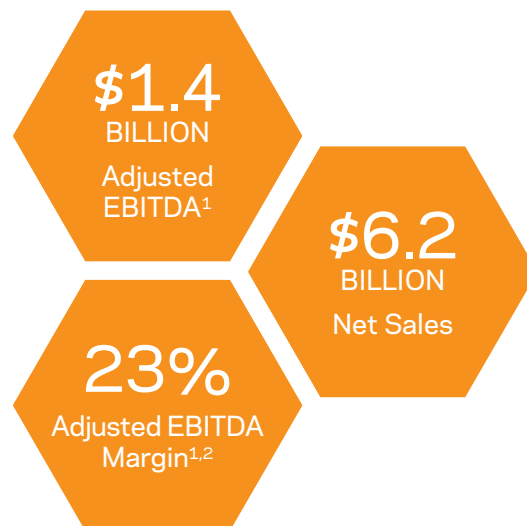

### People

A thriving workforce culture is essential to our success. We strive to unleash the power of our talented, experienced, and passionate employees who make us Chemours.

## 2017 Financials from a Leading Provider of Performance Chemicals

# NYSE: CC

### Net Sales by Geography

### Net Sales by Product

**Net Sales**  
Dollars in millions

**Adjusted EBITDA<sup>1</sup>**  
Dollars in millions

**Adjusted EBITDA Margin<sup>1,2</sup>**

1. Our reconciliations of non-GAAP measures to GAAP measures are available at [investors.chemours.com](http://investors.chemours.com).  
2. Calculated as Adjusted EBITDA over Net Sales.

# CHEMOURS: AN OVERVIEW

## OUR PURPOSE

We help create a colorful, capable, and cleaner world through the power of chemistry.

### Colorful

Making the everyday world brighter and more vibrant with our advances in Titanium Dioxide.

### Capable

Making processes more efficient and productive with Fluoroproducts and Chemical Solutions.

### Cleaner

Providing solutions that have a positive impact on people's lives and as little impact as possible on our planet.

## WHAT WE DO

### Catalysts for Change

### Titanium Technologies

**A market leader in titanium dioxide (TiO<sub>2</sub>) production:** more than 80 years of experience in products for coatings, plastics, laminates, and paper

### Fluoroproducts

**A market leader in manufacturing of fluoroproducts:** base and low global warming potential (GWP) refrigerants, specialty products, industrial resins, monomers, consumer and industrial finishes, melts, and surface protection

### Chemical Solutions

**A market leader in solid sodium cyanide production across the Americas:** via our Mining Solutions team, a leader in safe, efficient production of sodium cyanide for the extraction of gold and other precious metals

## OUR BRANDS

**58** manufacturing facilities, laboratory sites, and offices globally

**7,000** employees worldwide

Serving customers in approximately **130** countries

## THE FIVE VALUES WE LIVE BY

We believe that the power of chemistry can have a positive impact on the world. We live that commitment through the principles that drive us:

Customer Centered

Refreshing Simplicity

Collective Entrepreneurship

Safety Obsession

Unshakable Integrity
