We’re Chemours, a different kind of chemical company.

We are built upon a 200-year-old legacy and a world-class product portfolio. We bring everyday convenience to virtually everything people touch—in industries ranging from automotive, paints, and plastics to electronics, construction, energy, and telecommunications. We bring solutions that are better, safer, more reliable, and more sustainable, through the power of chemistry.
Creating Higher Value Chemistry for our customers, our investors, and society.

We focus on investing in areas where we are the world leaders—leveraging our differentiated portfolio of performance chemicals.

Our Five-Point Transformation Plan
We’re a company whose organization-wide transformation is driven by accountability, sustainability, and being simpler, nimble, and faster to market—a company that’s leading the charge to deliver value to customers and shareholders around the globe.

- Refocus investments by concentrating capital spending on key growth initiatives
- Optimize our portfolio by focusing on higher-value businesses
- Enhance our organization through simpler processes, rapid decision making, and sustainability

We’ve made a lot of progress, and are committed to completing our transformation plan as we continue to drive toward enhancing our Adjusted EBITDA by $500 million\(^1,2\) and improving our net leverage position to ~3x in 2017:\(^1\)

- Reduce costs by $350 million by the end of 2017\(^1\)
- Grow market positions in TiO\(_2\), Opteon\(^\text{TM}\), and Mining Solutions

1. Versus 2015

2. Our reconciliations of non-GAAP measures to GAAP measures are available at investors.chemours.com

3. Calculated as Adjusted EBITDA over Net Sales

OUR PURPOSE
We help create a colorful, capable, and cleaner world through the power of chemistry.

Colorful
Making the everyday world brighter and more vibrant with our advances in Titanium Dioxide.

Capable
Making processes more efficient and productive with Fluoroproducts and Chemical Solutions.

Cleaner
Providing solutions that have a positive impact on people’s lives and as little impact as possible on our planet.

WHAT WE DO
Catalysts for Change

Titanium Technologies
#1 global producer of titanium dioxide (TiO₂): more than 80 years of experience in products for coatings, plastics, laminates, and paper

Fluoroproducts
#1 global maker of fluoroproducts: base and low global warming potential (GWP) refrigerants, specialty products, industrial resins, monomers, consumer and industrial finishes, melts, and surface protection

Chemical Solutions
#1 sodium cyanide producer in the Americas: via our Mining Solutions team, a leader in safe, efficient production of sodium cyanide for the extraction of gold and other precious metals

OUR BRANDS
