We’re Chemours, a different kind of chemical company.

We are built upon a 200-year-old legacy and a world-class product portfolio. We bring everyday convenience to virtually everything people touch—in industries ranging from automotive, paints, and plastics to electronics, construction, energy, and telecommunications. We bring solutions that are better, safer, more reliable, and more sustainable, through the power of chemistry.
OUR GROWTH STRATEGY

We’ve survived by transforming. Now we’re earning our way to growth by advancing higher value chemistry.

After designing and successfully executing our five-point transformation plan, we’re ready for growth so we can continue improving the lives of people everywhere.

Our Business Strategies

Fluoroproducts
• Aligning high-value fluoropolymer application development to provide customer solutions in fast-growing markets
• Growing Opteon™ low global warming potential refrigerants and optimizing other fluorochemical product offerings

Chemical Solutions
• Meeting the growing demand for Mining Solutions
• Supporting key customers in Mexico with capacity expansion

Titanium Technologies
• Enabling value stabilization of Ti-Pure™ titanium dioxide to align with long-term customer needs
• Increasing capacity incrementally to meet customer demand via our low-cost, flexible manufacturing capabilities

Our Growth Pillars

Portfolio
We remain committed to managing our businesses proactively and strategically by continuing to invest in our market-leading businesses, and by adding complementary acquisitions. Creating a highly investable business portfolio is our top priority.

Partnerships
Through the power of collaboration, we can find new solutions to old problems, making the world better. We will continue to work hand in hand with our partners and customers to develop new opportunities.

Performance
To put it simply, we strive to be top-tier. We will continue to set clear targets and goals for ourselves: Adjusted EPS growth, higher Adjusted EBITDA margins, and ROIC. We’ll communicate and measure our progress against these ambitious benchmarks.

People
A thriving workforce culture is essential to our success. We strive to unleash the power of our talented, experienced, and passionate employees who make us Chemours.

OUR PURPOSE
We help create a colorful, capable, and cleaner world through the power of chemistry.

Colorful
Making the everyday world brighter and more vibrant with our advances in Titanium Dioxide.

Capable
Making processes more efficient and productive with Fluoroproducts and Chemical Solutions.

Cleaner
Providing solutions that have a positive impact on people’s lives and as little impact as possible on our planet.

WHAT WE DO
Catalysts for Change

Titanium Technologies
A market leader in titanium dioxide (TiO₂) production: more than 80 years of experience in products for coatings, plastics, laminates, and paper.

Fluoroproducts
A market leader in manufacturing of fluoroproducts: base and low global warming potential (GWP) refrigerants, specialty products, industrial resins, monomers, consumer and industrial finishes, melts, and surface protection.

Chemical Solutions
A market leader in solid sodium cyanide production across the Americas: via our Mining Solutions team, a leader in safe, efficient production of sodium cyanide for the extraction of gold and other precious metals.

OUR BRANDS

THE FIVE VALUES WE LIVE BY
We believe that the power of chemistry can have a positive impact on the world. We live that commitment through the principles that drive us:

Customer Centered
Refreshing Simplicity
Collective Entrepreneurship
Safety Obsession
Unshakable Integrity
