System Commissioning Date:

Send the completed registration form and system working plan to FM200Warranty@Chemours.com. All questions and inquiries can also be sent to the same email address.

Note: Failure to accurately supply all the information requested above and a copy of the completed system working plan (as specified in NFPA 2001 section 5.1.2, 2015 edition) will invalidate acceptance into the Chemours Fire Extinguishants U.S. FM-200™ Eagle Customer Protection Program. The accuracy and the completeness of the registration form and system working plan is the sole responsibility of the applicant.

Chemours will acknowledge the receipt of the registration form and working plan, although acknowledgment does not constitute an acceptance of the accuracy or completeness of the registration form or system working plan.

For more information on FM-200™, please visit cleanagents.chemours.com or call (800) 473-7790.
