

# Got a backup plan?

## Child, adult and eldercare when your regular care plans fall through

Aetna Resources For Living<sup>SM</sup>

Pre-planning the provider of your choice gives you peace of mind. You can call to arrange backup care for your child or an aging family member.

**1** You realize you need a backup care provider.

**2** Simply call us at and ask for backup care.

**3** Discuss your needs with a consultant.

**4** Review your options.

**5** The choice is yours!
